More about us

Following the success of ITALengUSA, the program evolved into **WorldLangAmerica**, a registered 501(c)(3) nonprofit organization, in recognition of its broader scope and ambition. Building on the foundation established by ITALengUSA, **WorldLangAmerica** aims to offer similar cross-cultural and linguistic exchanges in multiple languages, with the vision of connecting even more students from diverse linguistic backgrounds around the globe. This evolution reflects both the program's growth and its ongoing commitment to fostering global communication and understanding.

ITALengAMERICA immerses students in the rich linguistic and cultural heritage of Italy, the United States, and Canada. Through interactive conversation, students develop proficiency in Italian and English while exploring Italy, the USA, and Canada's history, art, cuisine, and traditions. The program emphasizes conversational skills and cultural nuances, preparing students to engage

Too much text.

GERengAMERICA introduces students to one of Europe's most widely spoken languages and its significance in global commerce, science, and culture. Students will learn German and English through practical conversations and cultural exploration, developing skills in both formal and informal communication. The course also delves into Germany, the United States and, Canada's

Hard to read.

FREngAMERICA provides students with a comprehensive understanding of the English and French language, renowned for its elegance and global influence. Students will engage with a wide range of topics, from French literature and cinema to contemporary society. The curriculum is designed to enhance speaking skills while introducing students to the cultures of North American, France and

Easier way to pick your language.

How it works

1. Get paired up.
2. Weekly guided conversations in both languages.
3. Tutor and support each other in each language through speaking.
4. Attend 8 out of the 10 weekly meetings.
5. Certificate of Participation.

Every section has a CTA so the visitor always knows where to go next.
